

# Power Cleaner *Make your Toilet Great Again*

Automatic Toilet Cleaning Electric Brush

*The Never-before Power toilet cleaner, for shinier toilets*

A clean toilet speaks volumes about a family and their home. Our New Generation Electric toilet Cleaner takes just 5 minutes to clean your toilet perfectly, with absolutely no efforts

*Now cleaning will be an experience to cherish !!!!*

## How it works:

The Electric Power toilet Cleaner carries a conical brush which is rotated by a Motor powered by a lithium Battery. Switch ON the Power cleaner, Just hold and gently move the telescopic rod.

*Feel the difference!!!*

## Key Features:

- \* 360° high quality crimped bristles
- \* Ergonomic handle for comfortable grip
- \* Environment friendly Lithium Battery
- \* Elegant look; Beautiful modelling
- \* Replaceable brush
- \* Full charge of Battery in 2 hours
- \* Highly durable with premier finish

## Key Benefits :

- \* Powerful and efficient since motor operated
- \* Perfectly scrubs all the stains
- \* Every nook and corner easily reached
- \* Constant speed; no effort required.
- \* Time saving
- \* Convenient operation
- \* Safe and easy to handle
- \* Convenient to store by fixing on the wall

*From now on, Go in with a smile,  
and come out with a wider smile!!!*

# Power Cleaner *Make your Toilet Great Again*

## POWER CLEAN

S.no	Description	Unit	Technical Specification
1	Brand		S-VAC
2	Motor Type		DC Geared Motor
3	Motor Make		Saryam
4	Motor Grade	Grade	A-Grade
5	Motor RPM	RPM	300
6	Motor Voltage	V	12V DC
7	Base Motor - RPM	RPM	18000
8	Motor Shaft Dia	mm	6 mm with M3 thread hole
9	Motor Dia	mm	28.5
10	Gear box Dia	mm	37
11	Motor Length without Shaft	mm	63
12	Motor Shaft Length	mm	30
13	Motor Weight	gms	180
14	No Load Current	mAmps	800
15	Load Current	Amps	7.5
16	Housing Material	Plastic	ABS - Acrylonitrile Butadiene Styrene
17	Shaft Length with Brush	mm	500
18	Shaft Material		Stainless Steel
19	Shaft Coupling Type		Quick Coupling
20	Brush Type		Plastic Bristles
21	Brush Shape		Conical
22	Power source		Rechargeable Battery built-in
23	Charging Method		Power Adaptor
24	Power Clean ON / OFF		Toggle Switch
25	Storage Method		Wall hanging using C- Clamp
26	Charging Indication		Red LED
